

Item No. 84971

Delock Extension cable SATA 6 Gb/s receptacle straight > SATA plug straight 20 cm blue latchtype

Description

This SATA cable by Delock complies with the latest standard and supports a data transfer rate of up to 6 Gb/s. It enables you to extend the SATA interface and can be used for connection of your devices with SATA 7 pin port. Furthermore the SATA 6 Gb/s interface is downwards compatible to the former SATA versions, whereas you can only achieve the respective transfer speed. The metal clip on the receptacle and the clearance on the plug ensure that the cable reliably clicks into place.

Specification
