SANLink3

SANLink3 N1
Thunderbolt™ 3 Bridge Adapter
NEW High Speed bus-powered Thunderbolt™ 3 Ethernet Bridge

THUNDERBOLT™

Benefits

- Provides portable and desktop systems with high-speed Ethernet connectivity

- Improves network speeds for power users via a simple copper Ethernet cable

- High-speed NBASE-T connectivity is ideal for creative professionals
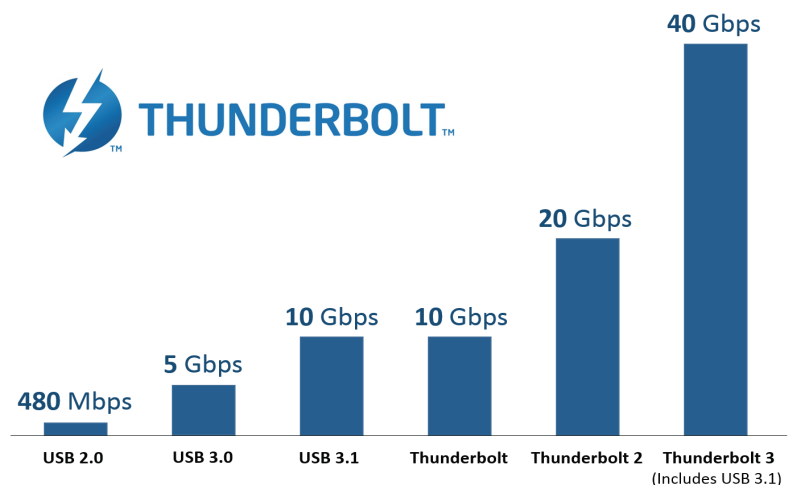

- Supports Jumbo Frames

Highlights

- Enables upto 10Gbps Ethernet connectivity using Thunderbolt™3 port

- Compact bus-powered design connects easily; runs cool and ultra-quiet

- Thunderbolt™3 standards compliant

- Thunderbolt™3 cable included

Product Overview

- The SANLink3 Series with Thunderbolt™3 technology revolutionizes how creative professionals connect Thunderbolt™3 device to an existing Ethernet infrastructure

- High-speed NBASE-T technology is designed to maximize the available line rate of Thunderbolt™3 at 10Gbps with new infrastructure or 1/2.5/5 Gbps on existing networks

- Faster network access streamlines creative and high demand workflow needs

- Bus-powered, compact, quiet and lightweight, no power adapters or big bulky boxes, easy to install and take with you

- Simple plug-n-play for OSX-plug your SANLink3 into a Thunderbolt™3 port and Ethernet cable, and you're done

SANLink3 for a High Speed Ethernet Infrastructure

- SANLink3 NBASE-T provides Ethernet connectivity to your Ethernet network from your Thunderbolt™3 enabled portable or desktop computer.

- Fast Thunderbolt™3 provides for twice the throughput of Thunderbolt™2

THUNDERBOLT™

USB 2.0	USB 3.0	USB 3.1	Thunderbolt	Thunderbolt 2	Thunderbolt 3 (Includes USB 3.1)
480 Mbps	5 Gbps	10 Gbps	10 Gbps	20 Gbps	40 Gbps

SANLink3 N1 Specifications

SANLink3 N1	
Model	
External Ports	NBASE-T Ethernet Port
Thunderbolt™ Ports	Single Thunderbolt™3 technology port (40 Gbps)
Transfer Rates	1250MB/s at 10Gb 625MB/s at 5Gb 312.5MB/s at 2.5Gb 125MB/s at 1Gb
Host Bus Type	Single 40 Gbps Thunderbolt™3 port
Protocols	IEEE 802.3an - 10GBASE-T IEEE 802.3bz - 2.5G/5GBASE-T IEEE 802.3ab - 1000BASE-T IEEE 802.3u - 100BASE-TX
Dimensions	24 (H) x 96.4 (W) x 48 (D) mm
Weight	120g
Warranty	3-year warranty
Requirements	Workstation or portable with Thunderbolt™3 port (Thunderbolt™3 cable included)
OS Support	OS X 10.13.3 or later Windows 10 (64-bit-available driver download)
