

ASTINA

outdoor wall light, TCR50-SE, IP44, round, up/down, anthracite, max. 44W

The ASTINA OUT wall light is made of stainless steel and glass, which covers the lamp. Thanks to the position of the two sockets which are fitted, the mounted luminaire produces two equal but opposite cones of light (UP/DOWN). It is suitable for use outdoors thanks to its IP44 protection class. The electrical connection of the luminaire, which comes in various colours, is directly to the 230V mains supply.
